REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 1, 11 and each of their dependent claims are allowable because the prior art of record does not teach or reasonably suggest the recitations found therein including a second face comprising hydrophilic fibers with the proviso that the strands of the sheath/core construction are not present on the second face and the further proviso that hydrophilic fibers extend from the second face to the first face.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Danny Worrell whose telephone number is 703/308-0889. The examiner can normally be reached on Tuesday-Friday.
